

YOUTH SUMMER INTENSIVE HOUSING RESOURCES

Cincinnati Ballet's Youth Summer Intensive does not include a formal residence program. As we look forward to welcoming out-of-town students to the program, we offer the following resources to help guide your search for accommodations.

Please note: The options below do not represent formal Cincinnati Ballet partnerships or endorsements. We simply offer the resources below as a service to those unfamiliar with the Cincinnati area. We encourage you to closely review cancellation policies of these independent housing resources, should additional COVID-19 restrictions require an adjustment to programming and/or a change in your travel plans.
