

Participants in Cincinnati Ballet's Collegiate Intensive are encouraged to explore their independent accommodation options at the time of registration. While Cincinnati Ballet's Collegiate Intensive programming does not include a formal residence program, we offer the following resources to help guide your search. With an array of options ranging from homestays to hotels, we hope this proves helpful in finding the option that's right for you. Please keep in mind all Collegiate Intensive participants are responsible for securing their own housing and the third-party options listed below are unsupervised and unprogrammed.

PLEASE NOTE: *The options below do not represent formal Cincinnati Ballet partnerships or endorsements. We simply offer these resources as a service to those unfamiliar with the Cincinnati area. We encourage you to closely review cancellation policies of these independent housing resources, should COVID-19 restrictions require a change in your program engagement and/or travel plans.*
