Community Night

“My ‘little’ and I were able to make a special night of it. I hope you know that these special events and tickets had an impact far beyond seeing the show. I am greatly appreciative of your generosity and extra efforts that were taken to make the night one to remember. Many thanks and blessings to you and all those involved.”

~ Mary Catherine (a BIG)

“...thanks to Community Night, the kids we serve are being exposed to an experience they never thought would be accessible. That they are creating family traditions and memories, thanks to the annual nature of this event. And, they are finding themselves comfortable in a space that they thought was only for ‘fancy people’.”

~ Sherri Friedman, Most Valuable Kids

“Thank you for letting us be a part of this. What MVK and the Ballet have created is a place where the faces on the kids is enough said. I am so honored to be a part of this.”
