“I’ve enjoyed partnering with CincyDance!  
here at JJP. Students have been able to  
learn the fundamentals of dance in a very  
fun and creative way.”

~ PE Teacher at John P. Parker

“My students at Dater love  
when the Company comes.  
They were very motivated  
when the instructors  
added various types of  
dances last year.”

~ PE Teacher at Dater

“My second graders **LOVED** CincyDance! last year and we had a few students  
go on to get the scholarships with Cincinnati Ballet. I am so grateful that you  
offer this program so that we can give this opportunity for our students. It helped  
them to be more comfortable with expressing themselves in class as well.”

~ Teacher at Lindeman
